CHANGE OF GUARD AT BANDRA GYMKHANA

30th June was a remarkable day as the 84-year-old Bandra Gymkhana had for the first time ousted eight of its 15 managing committee members. This Change of Guard was the need of the hour since East Indians were not given their due and were sidelined.

Bandra Gymkhana was founded in 1935 on land donated by Dr DA D'Monte, a philanthropist. His grandson Darryl D'Monte was a trustee till his death recently. The club was founded primarily for the East Indian Catholic community, and has been a hub of sports, culture, literature, talent, and social activity. MGP Team thanks all Bandra Gymkhana members who voted in favour of the Resolution. Special thanks to all groups and members who worked hard to connect with their network to get a Vote in Favour of the Resolution.

TUJICH RE - FIRST MARATHI MOVIE RELEASED BY EAST INDIANS

Tujich Re is the first Marathi movie released by East Indians Samson & Bella Gracias. The story revolves around a Marathi girl who falls in love with an East Indian boy. The first song of the movie Aambya Dangli refreshed lovely memories as it has the tune of a famous East Indian song. It also features our famed East Indian lugra and the ghumat. The movie was released on 21st June in around 30 theatres across Maharashtra and received a positive reviews. Many theatres in and around Mumbai got a very good response. MGP is glad to be an active supporter of this film project.

KAKA BAPTISTA EAST INDIAN MUSEUM CELEBRATES ANNIVERSARY

The East Indian Museum Anniversary was celebrated on 19th May 2019. The Kaka Baptista East Indian Museum located

in Manori is first ever museum in the world dedicated to the East Indian Community. The land for the Museum House has been offered by the family of Late Theresa Fernandes, Chuim.

The Museum House was opened on 19th May 2013 and attracts a fair number of visitors every year. This year too was no exception. The Holy mass was celebrated in East Indian by Rev. Fr. Joseph Gonsalves and the melodious East Indian Choir from St. Anthony's Church, Malwani added to the beauty of the celebration. This was followed by singing, dancing and scrumptious East Indian lunch. MGP thanks our, Chief Guest, Guest of Honours, Sponsors, Core Action Team, Sarpanches and Gaothan Coordinators for their support.

AAPLAA GAAV! AAPLAA RAAZ! EK SAMAJ! EK AWAAZ! MGP Gets Ready for the Annual Rally

Gleason Barretto, Old Kurla

Right from the time we had our first rally in March 2013 till today the East Indian Voice has got Bigger and Better. Our numbers may have dwindled from a 1000 in the first rally to around 200 in the last few rallies but our overall numbers have reached greater heights. MGP has more than 35 East Indian Community projects and 55 MGP Representatives spread across more than 100 East Indian Gaothans across Thane, Vasai, Raigad and Bombay. In addition to this, there are more than 50 East Indian Associations and some of them are spread across the globe in Dubai, USA, Canada, Australia and New Zealand.

Aaaplaa Gaav! Aaplaa Raaz! is the main theme of this year's East Indian Rally. We have requested and waited enough for the authorities, Archdiocese Hierarchy and the Political Representatives to fulfill our demands. We can be patient no longer and need to go ahead with an action plan. Time to get tough and take back what is rightfully ours. We as a process will Request, then Demand and finally Retaliate. The MGP Sarpanch team will plan way forward with a tougher Punch. It's time our community is not taken for granted and our Native Rights are fulfilled. We founded this city and gave whatever we had to build this city especially our Lands and we need to be compensated for our huge contribution to this city.

Locals and those in the vicinity need to join in bigger numbers. Our Annual rallies are a great way to know the community Impact and Support for the East Indian Cause. The first every East Indian Rally saw around 1000 Community members walk from Juhu to Vile Parle. Our community brethren were confident and determined to make a difference. However our people expected quick results and we know that system takes years and even decades to fulfill demands. As years passed by the numbers got lesser but the MGP drive to serve got better each passing year. The last few years have seen a series of meetings with authorities and widespread Press Coverage on the East Indian Community.

Love for the Community is growing Each Passing Year. The International Network has got stronger across the globe and is sure to grow in the coming years. We also see around 2 Local Community groups springing up every year, another positive sign. East Indian Traditions and Culture is witnessing an upward trend with its Revival across our Gaothans whether its Agera, Naataal, Papiya and San Jao Cha Sann. The East Indian Baazaar is trending and will have a better impact with the On Wheels version.

Yes We Can! Our Community has a Rich Talent and Expertise Bank. If we all come Together we can surely Take Our Community to Greater Heights. We also have many Dedicated and Committed Community Members who not only need to participate in the local Church but also in our Community Associations and Projects. While we coordinate and demand from the authorities we need to also look at alternatives and fulfilment of our Community Needs stands most important. MGP invites you to join our Team to help us Serve our Community Better. Every Hand That Can Help Us Counts. So like our punchline states – In Our Native Place it is Our First Right, Together as One Community lets Demand in One Voice
