Mobai Gaothan Panchayat has taken an initiative as a part of its objective to Revive Memories by organizing a procession from Mahim Church to Mount Mary's Church Bandra. This procession is called "Mot Mauli Purcessao" MGP had organized this 3rd annual procession to revive memories of the First Traditional Procession in the year 1761. Therefore on 14th September 2019 the traditional Rekla was used to carry the Statue of Our Lady of the Mount. And in keeping up with the traditions, the traditional East Indian Band played at the Procession while St. Peter's Confraternity led the procession. Around 300 community members joined the procession, most of them dressed in traditional outfits.

#### Lets Build and Dedicate a Chapel to our Patron Saint

Gleason Barreto, Old Kurla

Gonsalo Garcia was the first ever saint of India and his origins can be traced back to the East Indian Community then known as Portuguese Christians. Around 5 years ago MGP announced St.Gonsalo Garcia as the Patron Saint of the East Indian Community. A request was made to the Archdiocese of Bombay to have a Church dedicated to our Patron saint but there has been no success. Vasai Diocese has 3 Churches dedicated to St.Gonsalo Garcia. The St.Gonsalo Garcia Chapel , Manori will be the first Religious Structure in Bombay Archdiocese dedicated to our Native Saint.

After a long wait the MGP Team decided to build the St.Gonsalo Garcia Chapel and an appeal was made for land. A family confirmed to us that they would like to donate their land at Manori towards the Chapel. The first set of preparations have been complete and soon the plan for the first phase will begin on an active note. A Bank account has been opened at Bassein Catholic Bank which has its Vasai origins.

Relics will be bought from Nagasaki and other places where there is a connect to our Saint. Special hymns and prayers in East Indian, Marathi and English will be released to promote devotion to our Native Saint. MGP will make a formal appeal to have large statues of St.Gonsalo Garcia installed at Churches and besides Gaothan Holy Crosses. Miniature statues to be placed on altars are also being arranged. Various other promotion plans are being worked out to take the St.Gonsalo Garcia devotion on a bigger note.

Chapel will be promoted more for the veneration purpose and efforts will be made to make the Chapel attractive to ensure there are more visitors from all religions. The Chapel Project will be led by Bonny Pereira with active direction from Alphi Dsouza. A special coordination team will be created to ensure that the Chapel project is on track. Experts from the community who can be of great help for this project have been invited to guide and advise us. Well known boat maker Clyde Henriques and Sculptor Sequeira Brothers will play an active role in this project.

In August this year we decided to start collecting funds on a small scale during the Mount Mary Yatra wherein the statue of Mount Mary was taken to around 40 Gaothans. Devotion to Mount Mary is also being promoted as the devotion has its origins from Bandra. We had expected around Rs.20,000/- through the Collection box during the Gaothan Visit but surprisingly we collected Rs.1,11,957/- This was a clear indication to us that the project is supported by our native community and blessed by God's presence.

As we take on this important and challenging task for promoting our Native Saint we look forward to the Support and Prayers from all in the Community. Once built this structure will be a landmark for our Community and its Native Devotions. We at MGP have taken the first step but we can reach greater heights only if we all work together for the good of our community. May St.Gonsalo Garcia Bless our East Indian Community and the Gaothans.
