MGP ACTION PLAN - MAHARASHTRA & GOA

Aaplaa Gaav! Aapli Basha!

If Only One Marathi Mass at Goa in a Decade.

Then only One Konkani Mass at Maharashtra in a Year.

MGP has continuously followed up for regular Marathi masses at the Goan Exposition and managed to get only One Marathi Mass officially. Taking this into account we look forward to your support in the Action Plan.

Goa Exposition - MGP Appeal for Action Plan

To be followed till 10th Jan 2025 - changes if any will be communicated from time to time

Maharashtra Natives visiting Goa

1. Do not contribute in the donation collection box placed at the Exposition Church
2. Do not contribute during the holy mass services at the Basilica
3. Do not patronise any stall outside the church owned by locals
4. Do not attend Konkani masses at the Basilica

Action plan in Maharashtra during Exposition

1. Communication to Archdiocese to stop Konkani masses because regular Marathi masses not considered in Goa
2. Communication to the local parish to stop Konkani mass with immediate effect, only one per year to be allowed
3. Special services like Christmas midnight mass & Holy week services should not have any Konkani prayer or hymn included
4. St Gonsalo Garcia, Native Saint of Maharashtra should be the only patron saint in all dioceses of Maharashtra
5. Communication to Mahim, Sion and Irla parishes to cancel Konkani services and novenas with immediate effect, only one to be allowed per year

East Indians have always been known to be accommodative and hospitable to all migrants. But now a section of the clergy & migrants seems to have an agenda to trample upon us and target our Language, Culture Tradition, Heritage, History, Existence and Identity.

This is a Peaceful action plan in 1st phase till Jan 1st week as we understand the devotion and sanctity of the Exposition of miraculous saint.

Looking forward to your Prayers and Support

29th October 2024- MGP sends an email on completion of 27th October deadline assuring of sharing an action plan during Exposition at Goa and Maharashtra by 3rd November

30th October 2024- Goa Diocese sends communication to MGP on inclusion of one Marathi mass during the Exposition.

MGP thanks Archbishop of Goa for inclusion of one officially approved Marathi mass during Exposition. MGP is disappointed that the Natives who have been accommodative and hospitable to the Migrant Goans in Maharashtra by allowing regular Konkani services is being given such a saddening response by the Goan Diocese.

The background for the Goan exposition 2024-2025

*Around 2 lacs + Maharashtra natives will visit Goa during the Exposition and we seem to have been intentionally ignored.

*One lakh plus Goans stay in Maharashtra and at least half of them in Mumbai and the Indigenous People of Maharashtra have been accommodative to allow the Konkani mass in most of the churches - weekly or monthly

*The stones used for making the Bom Jesus Church at Goa was exported from Vasai in Maharashtra

*St. Francis Xavier is the patron saint of Bombay Diocese
*At all major novenas at Irla, Mahim and Bandra Konkani mass is celebrated daily

*During holy week services also, Konkani is given preference during the service with some readings and hymns

MGP's demands for the Goan Exposition 2024-2025:-

*Daily Marathi Mass during the Exposition or 2 masses on all Friday's, Saturdays and Sundays during Exposition

*Many Maharashtra devotees will visit Goa in groups during the Exposition and special Masses in Marathi to be allowed during their visit

*During School Holidays - Diwali, Christmas & Summer a Marathi mass on all Saturdays and Sundays as many people from Maharashtra come for a vacation to Goa

Mumbai: Minority Groups
Welcome inclusion of Velankanni Shrine in Mukhyamantri Teerth Darshan Yojana For Senior Citizens

In a Government Resolution last week, the government announced the inclusion of a few more religious sites. This includes the Mother Mary shrine at Velankanni, Tamil Nadu, and the Vanshah at Udaas, Gujarat, which enshrines the holiest fire of the Parsi-Zoroastrians.

Basilica of Our Lady of Good Health Velankanni in the list. Gleason Boreto of the MGP said that they were thankful to former Member of Legislative Assembly Krishna Hegde for meeting Chief Minister Eknath Shinde to add Velankanni under the Pilgrimage Scheme.

"We also thank all the Velankanni devotees for their prayers to fulfill senior citizens dream of visiting the holy shrine," said Boreto.

There were similar reactions among Parsis. "Parsis must take advantage of the scheme to visit sites of minority

Velankanni Shrine Basilica added in pilgrim sites under the Maharashtra Mukhyamantri Teerth Darshan Yojana - Maharastra Senior Citizens Pilgrimage Scheme

Special Thanks to Ex MLA Krishna Hegde for addition of Velankanni to the list of Pilgrim sites under the Senior Citizens Pilgrimage Scheme

Krishna sent a letter to the CM with this request. He also met the CM Eknath Shinde and MP Dr Shrikant Eknath

Shinde with the request to add Velankanni under the Pilgrimage Scheme.

Mobai Gaothan Panchayat was also continuously coordinating with Shiv Sena Spokesperson & Ex MLA Krishna Hegde with this request. An article appeared in Free Press Journal on 5th September mentioning MGPs request to Krishna Hegde to add Velankanni under Pilgrimage Scheme

Under this scheme Senior Citizens above 60 years will be funded by the State Government upto Rs.30,000/- towards food, stay and travel.

Thanks once again to Krishna Hegde for his efforts and follow up. We also thank all the Velankanni devotees for their prayers to fulfill Senior Citizens dream of visiting the Holy Shrine Basilica of Our Lady of Good Health Velankanni

MGP was surely one of the groups which followed up for this request. MGPs intentions was basically to have this privilege for our senior community members. The actual credit goes to Our Lady of Velankanni for this miraculous decision within 2 months. MGP is just a messenger for promotion of the Marian devotion.

Pleas seek to name airport after Tata

FPJ News Service
MUMBAI

Citizens from across India have begun online petitions urging the governments of India and Maharashtra to rename the upcoming Navi Mumbai airport in honour of Ratan Tata, the chairman emeritus of the Tata Group, who passed away on Wednesday.

One petition on change.org by a Mumbai resident has received over 40,000 supporters in two days. Citizens from Pune, Delhi and other cities have also started similar petitions.

A petition by Huzan Banaji, a Mumbai resident, said that naming the new airport in Mumbai after Ratan Tata would be a fitting tribute to him whose contributions have shaped modern India and Mumbai. "Naming the new airport after him would honor his legacy, linking

Mumbai's status as a global hub to the contributions of a family that has been foundational in its growth and prosperity," the petition said.

Supporting the demand, another group, the Watchdog Foundation, has said that the Tata Group played a crucial role in reviving Air India and expanding India's presence in global aviation.

Alphi D'Souza of the Mobai Gaothan Panchayat (MGP), a group representing the communities, said an upcoming infrastructure project, like Metro 3 or Aqua Line, should be named after Tata. MGP has also reiterated its demand that Mumbai Coastal Road be named Kaka Baptista Mumbai Coastal Road after the freedom fighter. Kaka Baptista, whose real name was Joseph Baptista, was a lawyer, Mumbai mayor, and the first president of the Indian Home Rule League set up in 1916.

AAPLAA GAAV! AAPLI BASHA!

One Marathi Mass in Goa - Hence One Konkani Mass in Maharashtra

Gleason Barretto, Old Kurla

Maharashtra's Indigenous People have always been accommodative and hospitable to all migrants from any Indian state or region but sadly we have been taken for granted. Going forward only Marathi masses and novenas should be allowed being the state and primary language followed by English being the universal language. A communication in this regard is being planned at all Parishes and Dioceses where MGP and its network is present. Regular Marathi masses at prime time will be specified.

Avoiding Maharashtra State language, Marathi and then covering up stating it was missed was totally unexpected from the Goan Diocese. In a communication later our requests for more Marathi language masses was considered as Interference. In that case Goans or any other Migrant should not interfere on the parish or diocesan level in Maharashtra State. The situation in Maharashtra and Goa is not that different but we the natives of Maharashtra have been kind enough to allow Konkani and now this should stop. If Marathi speaking people in Goa need to follow Konkani, then likewise Goans will need to understand and follow Marathi in Maharashtra.

Religious services in the native dialect also is one of the important inclusions needed across parishes in Bombay and Vasai. The East Indian Marathi mass is not being allowed by Parish Priests who specify that they need permission from the Archdiocesan hierarchy. MGP has raised this issue in multiple Bishop's meetings but there has been no positive response. It's time the diocese gives the necessary permissions to the founding community of the Archdiocese of Bombay. The East Indian Community has donated large tracts of lands which today are unavailable for their basic needs of housing and culture promotion which needs an urgent review.

Action plan will start initially in a peaceful way. Some of our action points are communications to authorities, non-participation in Konkani services during Exposition and no contributions in the donation boxes to name a few. In the first phase till the first week of January the peaceful action plan will be shared for Goa visitors and Maharashtra natives. In the second phase after the first week of January action points will focus on Maharashtra with multiple strategies aimed at giving Marathi its due importance.

Tough times for the community as we strive to promote our State language, Marathi. A section of the migrant clergy and laity have been trying their best to sideline Marathi and promote their State languages. MGPs core focus will be to promote, protect and preserve our state language and ensure its growing importance in future. The Exposition has given us a blessed opportunity to raise the language issue in Maharashtra Diocese, especially Bombay wherein some priests have been conspiring to stop Marathi masses or limit them

Hierarchy needs to approve a locally supported community representative in parish councils to protect and promote native community's religious traditions. If our request for more Marathi Masses is considered as an interference then migrants should not interfere in the running of the all Archdioceses in Maharashtra. Every diocesan and Parish level committee or unit should only be led and represented by the Native community of Maharashtra. The migrants should not be allowed to interfere in matters concerning Maharashtra Diocese especially because their leanings and roots are in their respective native state across India.

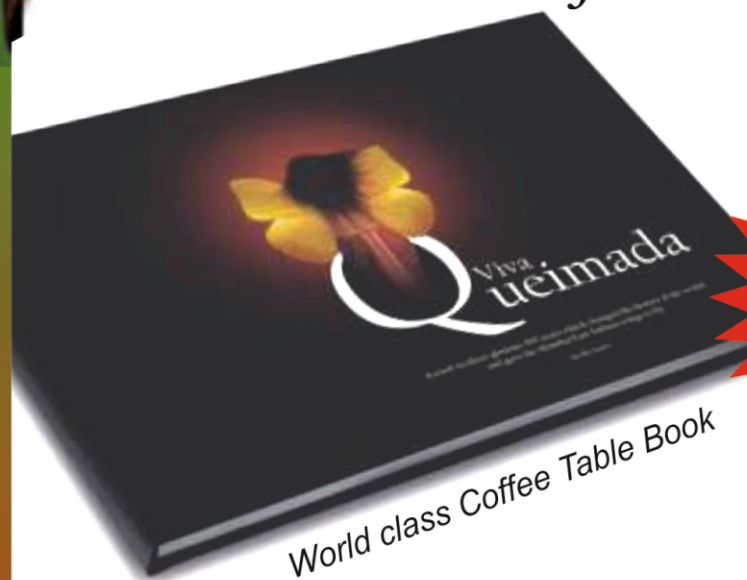

Inclusion of Marathi services is a must and not at all optional. It's saddening that in this issue not a single Maharashtra Diocesan Archbishop or Bishop raised the request for Marathi mass and the same was included only after the laity spoke up and sent communications. May St Francis Xavier guide the church hierarchy in Maharashtra and Goa to give due importance to Indigenous People language, culture, tradition, existence and identity. If God is with us, we will surely succeed to take our Indigenous People, East Indian Community to greater heights with the blessings and miraculous powers of St Francis Xavier.
